

amazon

The Amazon logo consists of the word "amazon" in a bold, black, lowercase sans-serif font. Below the text is a curved orange arrow that starts under the letter 'a' and ends under the letter 'n', pointing to the right.

palletline

The Palletline logo features the word "palletline" in a bold, blue, lowercase sans-serif font. Below the text is a thick, red, curved line that starts under the letter 'p' and ends under the letter 'e', curving upwards at the end.

THE POWER OF PARTNERSHIP

Consolidation benefits and features

Palletline PLC has identified the true economical value in consolidating loads into distribution centers. The following guidelines explain the features and benefits of consolidation in general and those specifically linked to consolidation service to Amazon.

Amazon Relationship - Palletline PLC

Palletline PLC is a 'preferred supplier' of consolidation services to all of the Amazon UK fulfilment centers

- The commercial relationship is between the vendor and individual member
- Amazon prefers that vendors approached utilize the consolidation service, however they do not demand.
- A strategic partnership to streamline activity at the Amazon fulfilment centers

Benefits – (of the features) Consolidation Service

Features – Consolidation Service	Benefits – Consolidation Service
Palletline PLC is a 'Preferred supplier' of consolidation services to Amazon fulfilment centers	Amazon differentiate Palletline PLC from competitor networks and prefer vendors to utilize the service of Palletline PLC as Amazon consider the service offering superior to that of other networks
Dedicated booking team for Amazon employed by Palletline PLC	The team are fully conversant in the complexity of supply to Amazon and are able to identify issues with vendor bookings and intercept prior to delivery
Bookings on to the Carp system on behalf of the vendor	This simplifies the process for the vendor who now only need to provide the ASN in addition to standard booking information to the member
Fixed delivery slots at each fulfilment center	 During peak periods and increased congestion Palletline PLC do not leave site before delivery is completed  Palletline PLC deliveries are managed with support from Amazon – Haulier compliance fines are eradicated  Deliveries Monday - Saturday
Vendor compliance support	Vendors are issued with Vendor Instructions by Palletline PLC, who are competent in the delivery of freight in line with the expectations of Amazon and throughout the network are likely to intercept exceptions that would prohibit delivery or cause a fine for vendor noncompliance.
Close relationship with Amazon Inbound Management team	Weekly conference calls and strategy meetings with Palletline PLC to progress project and review vendors that have signed up to the preferred consolidation service
